Martin,

Let me know if you need help on sorting out the references. It is correct that there are multiple Casanova papers but I am not sure if we have cited the correct ones. See Bimal's note below !!!!!!!!!!!!!!!!!!!!!!!

Ravi: I am done with a final review of the DPX paper.....some very minor basically editorial comments.....missing ref in the text, etc.....nothing substantial or serious, but these need to be corrected....

In particular, I find Casanova, Morgan....'s paper mentioned under THREE DIFFERENT YEARS: 1988, 1991, 1994 !!!!!!!!!!!!!!!

What's the truth? It's only one paper.....

PL let us know ASAP.

will share with M and ask him to make a further revision TODAY...and email you.....

thanks for all your very helpful comments & observations.
